A time past; a time to recall the good times it entaled and also look forward to the next year and perhaps question what it might hold. It was a time to unite; not merely as a class or even as a school but, indeed, as an entire generation.

Between the acts of beginning school and Thanksgiving vacation there is a lovably chaotic act known only as "Homecoming". This consists of Freshmen attempting points, Sophomores hanging in there, Juniors trying to make up for lost time and Seniors struggling to make their last one, a big one.

In the skit area Sophomores brought in first, Freshmen second and the Juniors third. The float competition saw Freshmen carrying first, Juniors at second and Sophomores with third, but where were the Seniors?

Well, they were on the football field, of course, as the Seniors we have all come to know and love braced us for a stunning victory over North Crawford with a score of thirty-three to zero.

Now is the time to look back and remember it all.

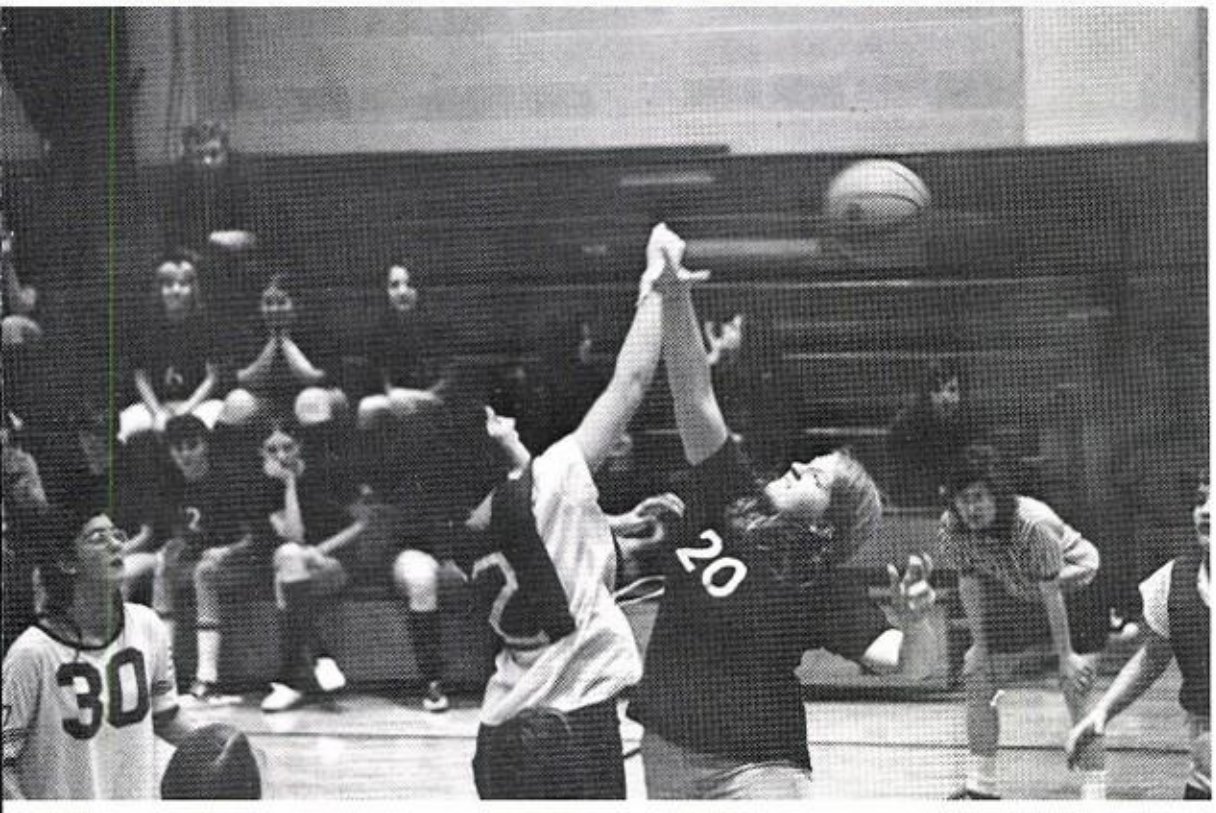
GAA

Although the Girls Athletic Association of Royall may be a "fun club", its purpose is to encourage participation in sports and to promote fair play and good sportsmanship among all girls. The girls meet once a week to develop their skill in such sports as football, volleyball, appartus, basketball, tumbling, badminton, and softball.

In Spring they meet with various schools in the area to compete in track and field. At the end of the track season the girls compete in the state track meet. The best athletes receive awards and letters at the end of the year.



PEP CLUB

The Pep Club cooperates with the varsity, junior varsity, and wrestling cheerleaders in helping to raise Royall's school spirit. The members encourage students to support their team by cheering at games and pep rallies. They also help the cheerleaders by painting signs and preparing skits for the pep sessions.

DEBATE

Don't think that all that the Debate Club does is argue because that assumption is wrong. They are a group of students who enjoy voicing their opinions on certain topics. But first they research to find evidence to back up the opinions then they express them.

FORENSICS

Our Forensics Club has come a long way in the past few years. Last year we were very proud to have John Kouba to on to the state contest, where where he received a B. He got A's at all the district contests.

They compete at local, district, state and regional levels. They may enter in interpretative prose or poetry, four minute speaking, original oratory, significant speeches, memorized declamation and public address.

They meet about once a month to discuss activities, such as their annual cake raffle. In the spring the club goes on a trip.

CHEMISTS!?

Mad Scientists maybe, but not Einsteins!

No, it's really an active group of students interested in science. Any one participating in a science class is eligible for this club. They hold meeting during the weekly activity periods. They also take a trip in the spring.

NEWSPAPER STAFF

Have you ever thought of how much work is behind those school newspapers you receive? Ask one of the girls on staff.

The advance typing class is in charge of this tedious task. They gather information, jokes, and poetry in order to keep you aware of the current happenings and hopefully to put a smile on your face.

They exchange editions with various schools to trade ideas.

OUR CAMERA CARRIERS

Where ever there is action there's usually a camera nearby. Without the work of this club our school would die after each new happening. We would never be able to go back and look at all the strange events that took place during the year. If you are in Photo Club you learn by experience. You are acquainted with all the various techniques in photography and you also learn how to apply them.

NUMBER TWO

The Royall Football team faired well this season by completing the year with a total seven - three victory slate chalked up to the effort; five and two of which were tallied in conference records. Thus, we tied for second place in the Scenic Central Division.

Kurt Meckstroth was our leading scorer, carrying in 20 field goals. Now is the time to think of becoming number one.

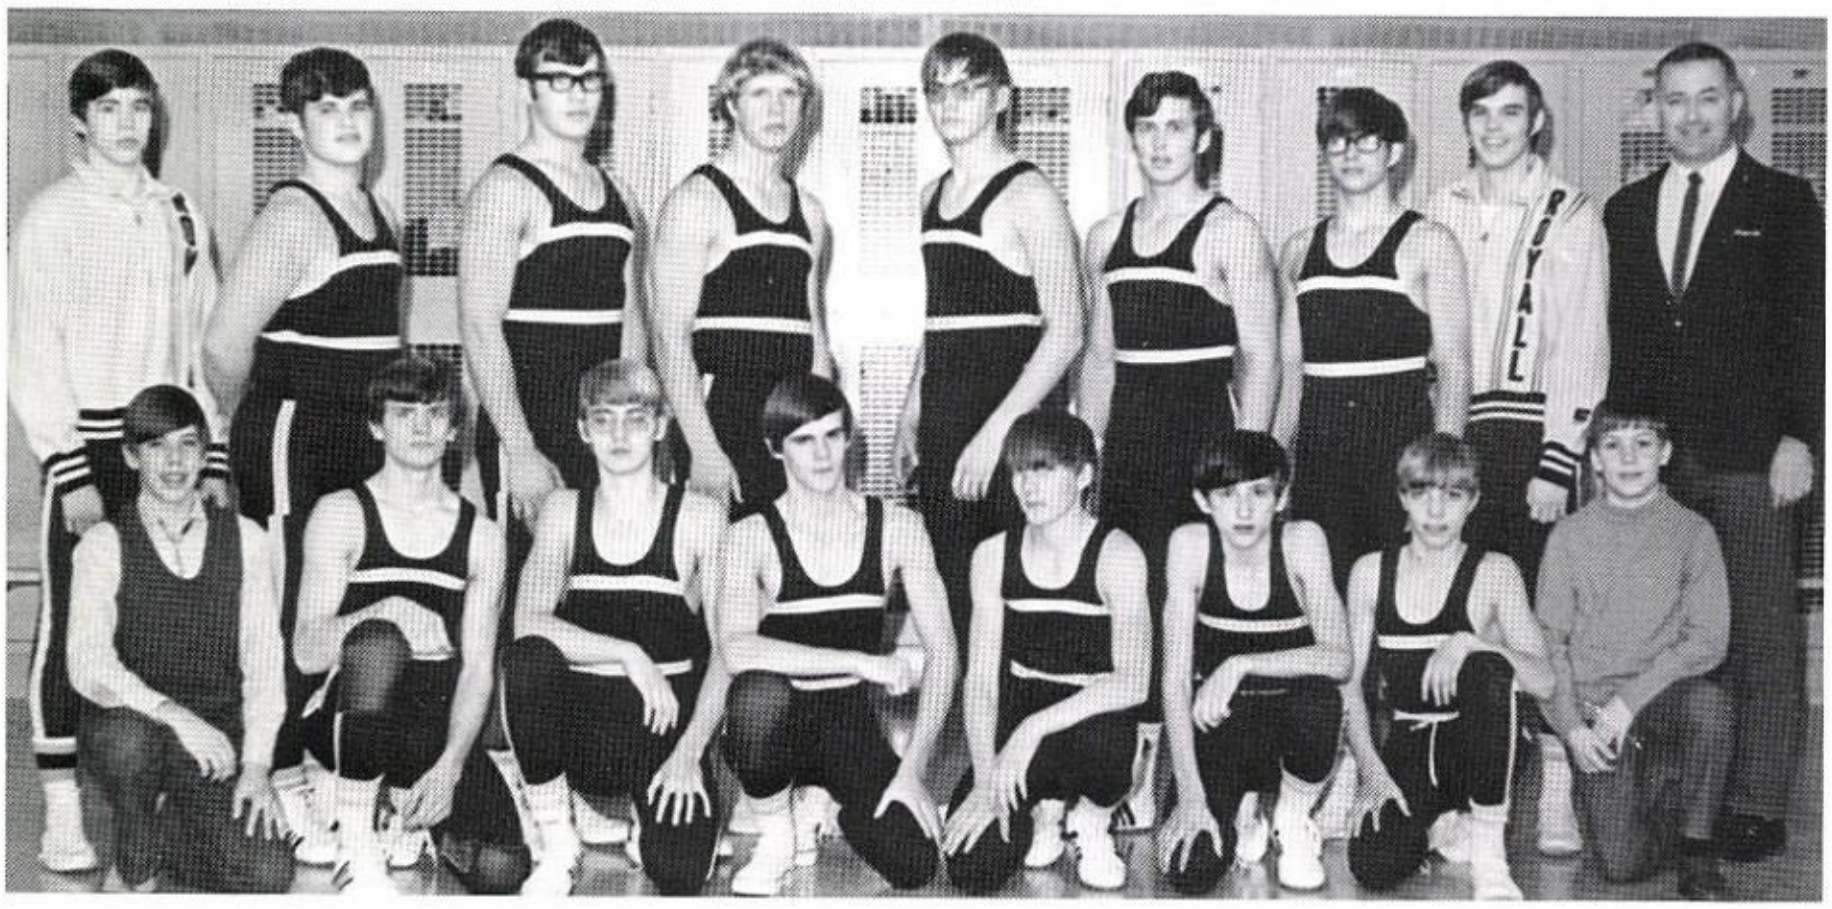
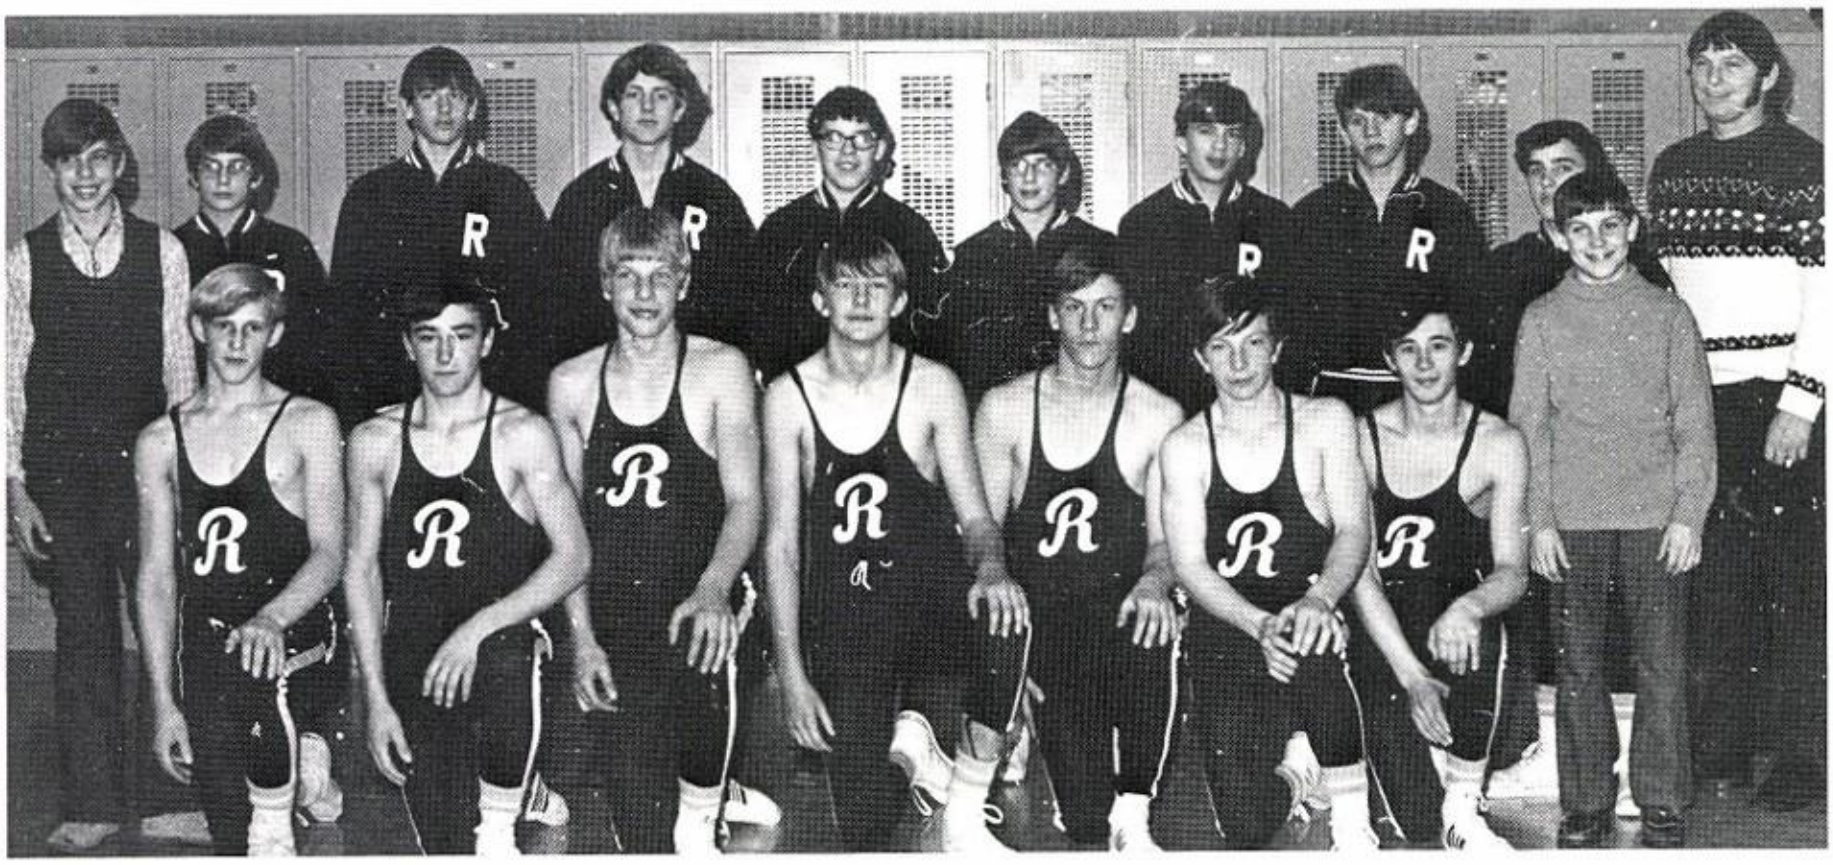
WRESTLING



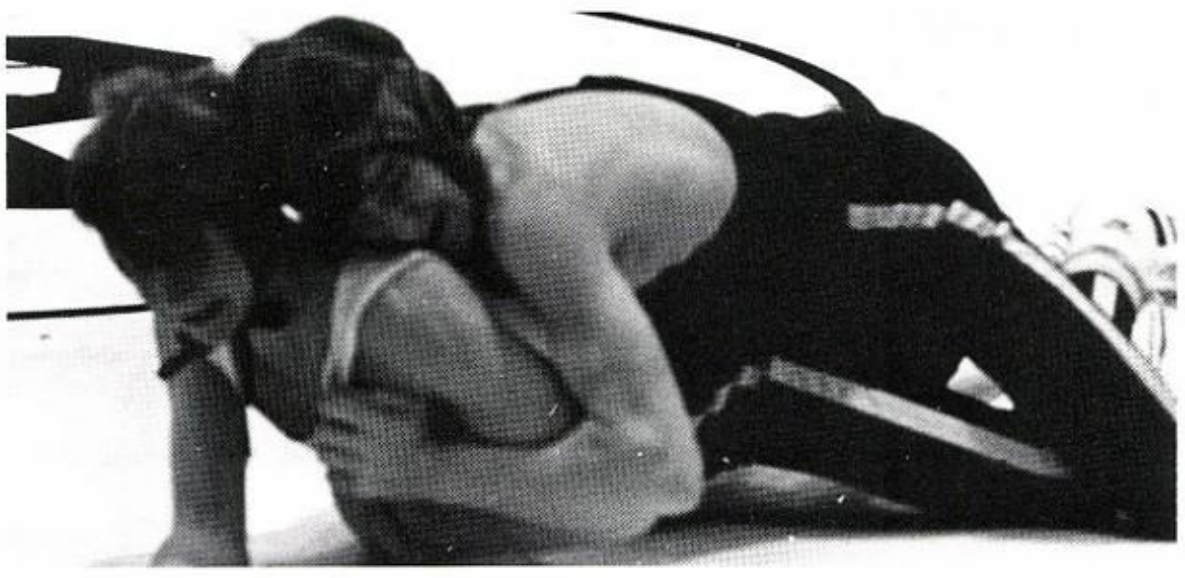
VARSITY. ROW 1: J. Oliver, P. Arttus, D. Rule, M. Rice, C. Pasch, D. Schendal, N. Peterson, E. Doyle. ROW 2: W. Weiland, R. Cleven, R. Cleven, S. Frye, D. Rule, M. Schendal, D. Kozlowski, S. Dennison, Coach DeLong.

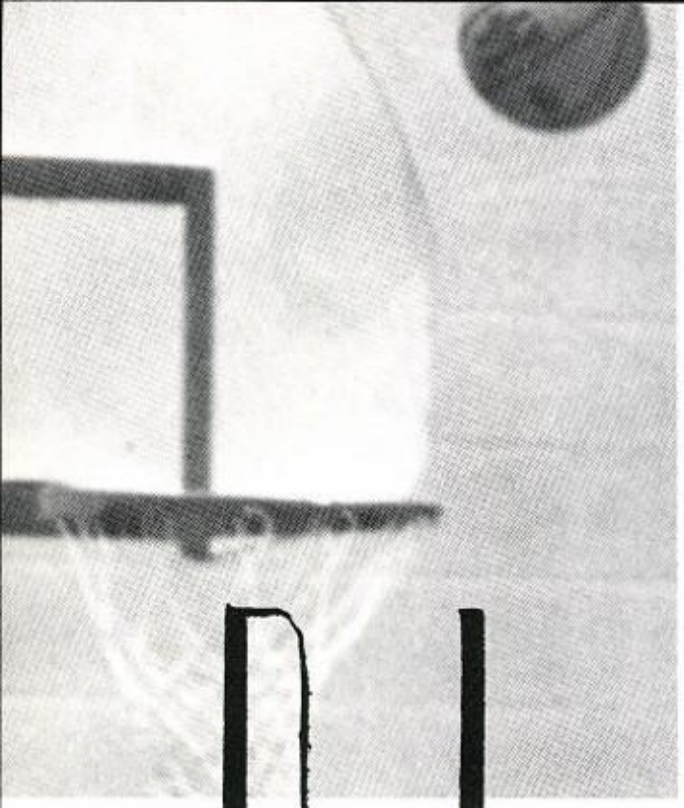
Royall's wrestling squad found it tough to get started this year but showed considerable advancement by the end of the season by moving into an eight-four record and placing fifth in the conference. Our team is young, however, with half of the varsity team being half underclassmen.

Impressive performers consisted of Russ Clevven, Pete Arttus, Roger Cleven, and sophomore, Mark Rice. Now is the to go shake their hands.

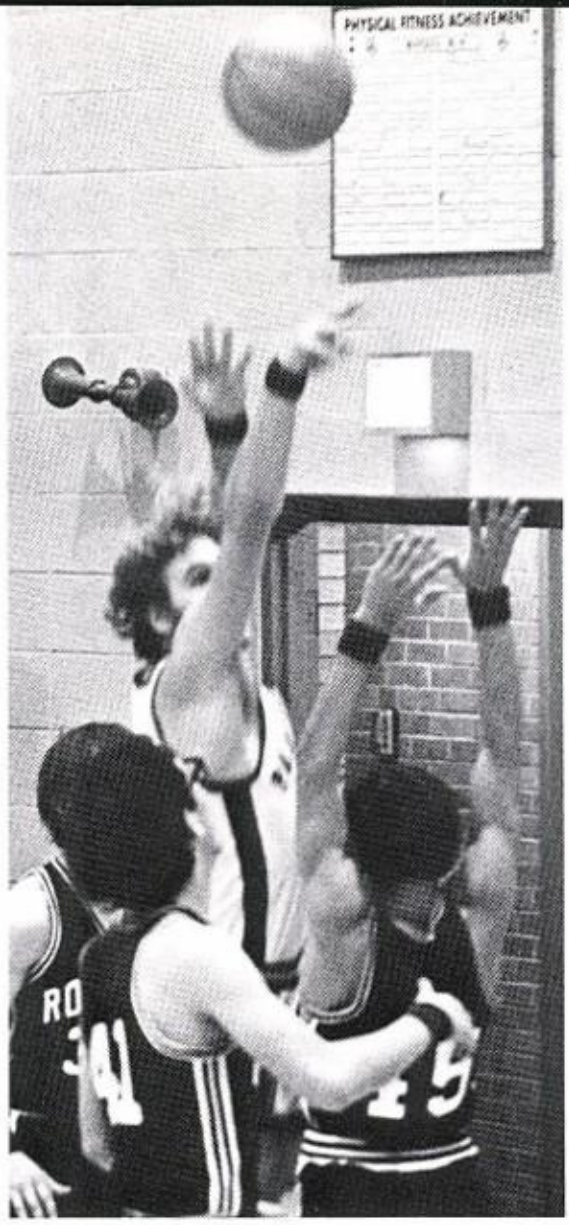


ROW 1: L. Schroeder, B. Shaker, K. Prell, D. Volzka, D. Archer, M. Wurster, T. Calhoun, E. Doyle. ROW 2: J. Oliver, B. Goodman, D. Rego, P. Reardon, S. Downing, B. Goodman, M. Amberg, D. Bender, D. Warsaw, Coach Vitcenda.

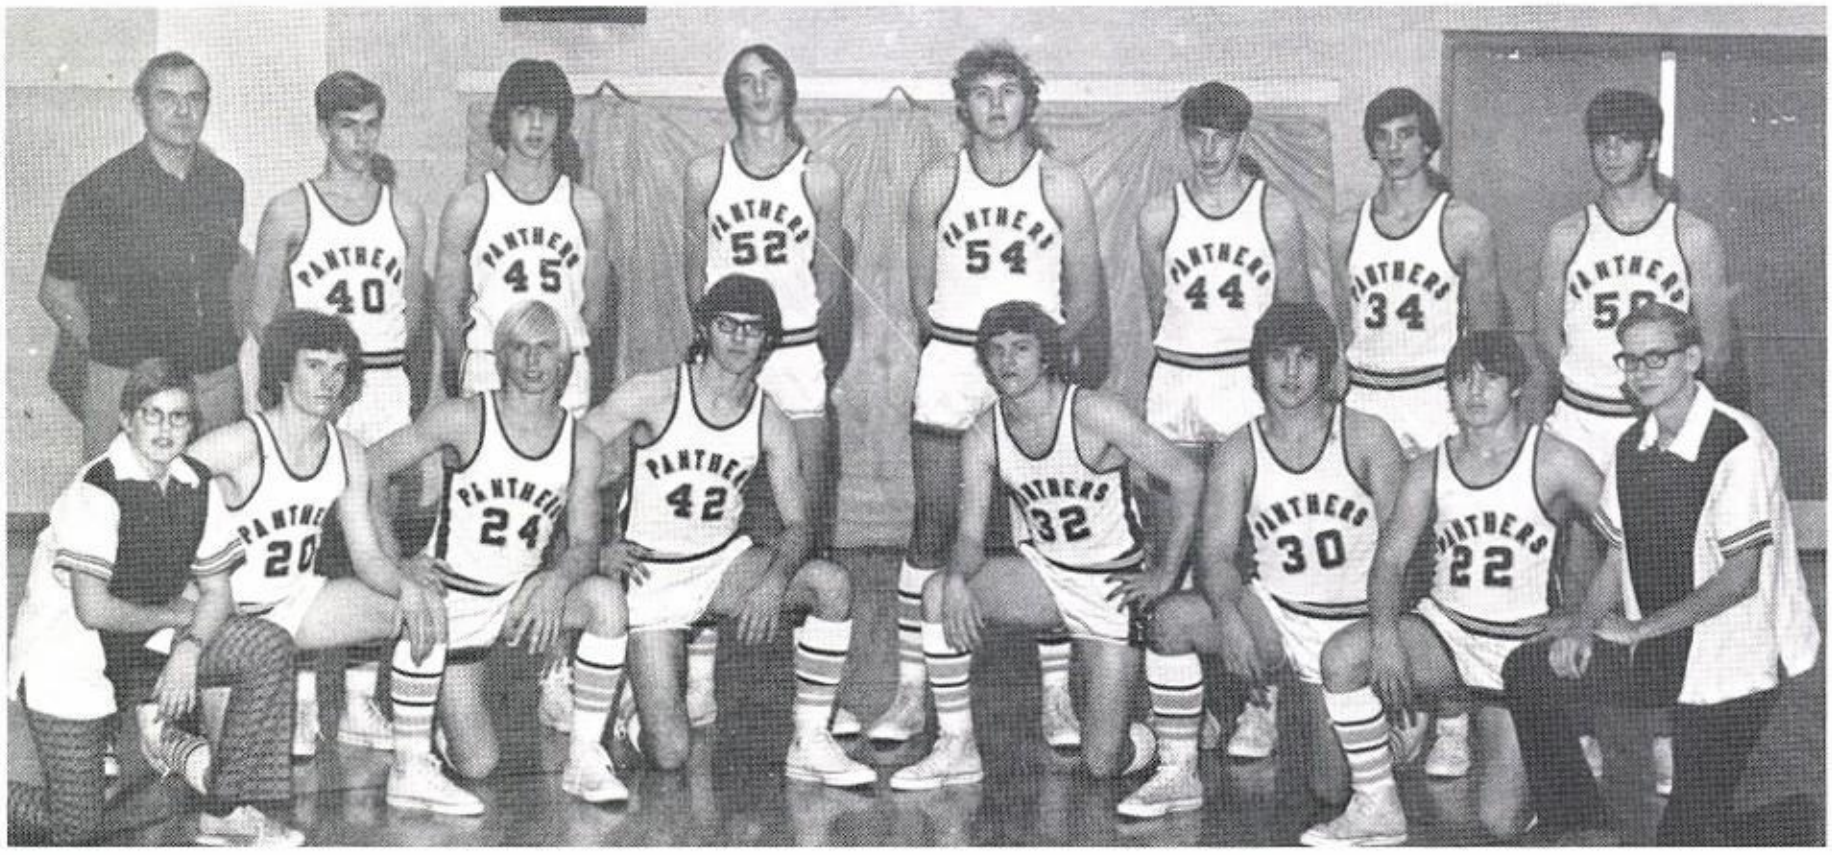




Basketball!!



Our team stands out.



ROW 1: R. Luehr, T. Brady, M. Drews, J. Kouba, R. Steffen, D. Meacham, D. Martin, D. Page, BACK ROW: Mr. Splitgerber, J. Ladwig, M. Kouba, S. Thayer, D. VanDehey, M. Fleming, K. Meckstroth.

Royall is assured of high standings this year as we saw the Panther squad break the old school record of ten consecutive wins and roll into twenty victories over their stifled opposition. State newspapers have given our "All-Stars" the acclaim for which they have worked. Such stars consist of; Dave VanDehey, Stuart Thayer and Mark Fleming. When this annual was published, the entire season had not expired totally; for this we apologize and wish our players the best of luck.

THE CLASS OF 1973

ARDIS LEVERENZ

The time is now but, we'll soon refer to it as then.

Along with the lapse of time many a changing emotions and moods are finished too.

Four years can include numerous things, our freshman initiation and how we laughed, the Junior Prom and the party afterwards, our Homecoming, and our great basketball team.

What's going to happen after we leave? Some will move away never to be seen while others will be around occasionally. Some will grow up and some will grow out but regardless we will still have our memories of our four years at Royall.
